

CERTIFICATE INDIVIDUALIZED PROGRAM

The Individualized Certificate program allows a student to create a certificate that Northwest Indian College does not otherwise offer. The NWIC Individualized Degree advisor and an expert in the field assist the student in clarifying goals and deciding on the types of learning experiences that will become part of the finished certificate. Students begin work on this certificate by registering for HMDV 150. The certificate plan must have the approval of the NWIC Individualized Degree advisor, the expert consultant, and the Vice President for Instruction. Once the certificate is finalized, the student must successfully complete all courses appearing in the approved plan. Examples of Individualized certificates include Appreciation and Marketing of Native American Art, Business, and Chemical Dependency Studies.
