

Course Outcomes for HMDV 190

The following are working course outcomes. These outcomes will be reviewed by the NWIC Curriculum Committee during the curricular review process in 2017 with the intent of creating and approving course outcomes.

At the completion of this course students will be able to:

1. Describe the basic principles of how student organizations are structured and operate
2. Demonstrate through participation in a student club how student organizations function
3. Lead some aspect of a student club or organization
