

# Course Outcomes: HUMS 260

---

## **Dual Disorders/Chemical Dependency & Mental Illness**

The following are working course outcomes. These outcomes will be reviewed by the NWIC Curriculum Committee during the curricular review process in 2017 with the intent of creating and approving course outcomes.

At the completion of this course students will be able to:

- Describe theories of dual diagnosis in mental health and chemical dependency
- Describe treatment methods for clients diagnosed with dual disorders
- Apply treatment protocols to at least two example dual diagnosis scenarios
