

Course Outcomes: NASD 108

Genealogy I

The following are working course outcomes. These outcomes will be reviewed by the NWIC Curriculum Committee during the curricular review process in 2017 with the intent of creating and approving course outcomes.

At the completion of this course students will be able to:

- Describe the tools and principles used in creating a family genealogy
- Create one's own genealogy
- Research one's own genealogy using BIA documents, tribal archives and other agency information
