## **Regalia Making II**

The following are working course outcomes. These outcomes will be reviewed by the NWIC Curriculum Committee during the curricular review process in 2017 with the intent of creating and approving course outcomes.

At the completion of this course students will be able to:

- Design, identify and prepare materials at the intermediate level for making regalia (not costumes) for display and use in ceremonial song and dance
- Describe strategies and ways to sew and make patterns at the intermediate level
- Produce regalia for their own usage at the intermediate level
- Explain aspects of contemporary Pow-Wow culture at the intermediate level
