In what ways has this course influenced your work or studies so far?

Text Entry

Hearing others' practices for their TVR Programs.

The course has helped me to have better understanding of TVR. Has me thinking about things to take into consideration when dealing with our consumers and has improved my knowledge on what I already knew. This course has influenced me to continue with my education in TVR. If I was younger I'd consider Master's degree in VR

Shared the next step form given by instructor with co-workers. That was mainly the only thing.

Well, it is mostly asking questions from my supervisor, like how are we doing this or that, how do we carry this out, things like that. I also communicate with VR counselor about the same things I ask my supervisor.
