The Instructional Aid/Technician will work a 9 month schedule from September 10, 2018 through June 28, 2019. The incumbent hired to fill this position will not work during the period July 1, 2018 through September 9, 2018.

*Northwest Indian College hiring practices include adherence to the Indian Preference Act (Title 25, U.S. Code, Section 473). NWIC supports and provides equal opportunity employment and educational opportunities without regard to race, color, religion, national origin, sex (including pregnancy), disability, age, veteran status, sexual orientation, gender identity or expression, marital status or genetic information.*

#### SCOPE OF WORK

The Instructional Aid/Technician is responsible for providing technical assistance and instructional support with site-based distance learning courses including face-to-face instruction, interactive video conferencing, online, and independent learning courses. The Instructional Aid/Technician facilitates communication and transmission of materials between instructors and students. This position will also participate in a team approach that works at meeting the educational needs of the tribal communities.

#### DUTIES & RESPONSIBILITIES

1. Provide administrative and technical assistance to students taking classes through various distance learning modalities;
2. Work closely with instructional and student services staff on main campus to provide quality delivery of classes;
3. Operate and maintain ITV and related technology related equipment;
4. Assist Site Manager in developing and maintaining filing and tracking system for students at the site;
5. Assist with scheduling and monitoring classrooms;
6. Attend Staff/Faculty in-service training as requested at the NWIC Main Campus;
7. Prepare equipment, materials, and solutions for class work projects; Setup and use equipment peculiar to a specific discipline;
8. Assist instructors with lecture and laboratory material; may provide tutorial support for students in course subject matter;
9. Estimate quantity and quality of supplies and materials needed; order equipment and supplies for the course; follow through purchasing department on procurement of supplies; maintain adequate stock levels;
10. Receive materials and supplies used in classes and store for future use;

11. Understand the college process and how the institution functions.
12. Serve as a resource to students on financial aid and scholarship applications, assist with registration and advising as needed, and any other activities pertaining to student success.
13. Document all outreach efforts and refer as appropriate.
14. Perform other related duties as required or assigned.
