

Course Outcomes: PRED 137

Parenting by Connection

The following are working course outcomes. These outcomes will be reviewed by the NWIC Curriculum Committee during the curricular review process in 2017 with the intent of creating and approving course outcomes.

At the completion of this course students will be able to:

- Trade listening time with other adults in our class in a way that allows each person to express themselves without interruption or advice
- Use the tool of “Stay listening” to listen to an upset child through their upset, sharing your insights in class
- Do “Special Time” with a child at home and share in class the insights you gained
- Use the parenting by connection tool of “Setting Limits” to stop a child’s off-track behavior while supporting their connection with you; sharing what you learned with our class
- Use tool of “ Play Listening” with one or more children, and share what you learned from doing it
