# 3 - In what ways has this course influenced your work or studies so far?

In what ways has this class influenced your work or studies so far?
I will improve with planning my case load(s). Ensure case notes/narratives are documented clear and detailed. I will know how to even out the case load with my co-worker. I will know how to move one case to another.
N/A
The overall Case Management studies have been very influential to my job as Work Adjustment Trainer with the Choctaw Vocational Rehabilitation Program. I understand that good case management is essential in the process of rendering services to VR consumers. To be informed of good case management is also, the understanding of good ethics as a VR staff member.

Please provide some suggestions to improve the course:
I know what would help most counselors is having more sample forms for documenting case management. It would just help me more to see more sample forms for documenting meetings.
