

JOB ANNOUNCEMENT

Math Faculty (Part-time, adjunct) – Nez Perce Site

Opening Date:	February 26, 2021
Review Date:	Extended to May 14, 2021
Closing Date:	Open until filled
Location:	Nez Perce Site
Salary:	\$42.00 per credit hour

Northwest Indian College hiring practices include adherence to the Indian Preference Act (Title 25, U.S. Code, Section 473). NWIC supports and provides equal opportunity employment and educational opportunities without regard to race, color, religion, national origin, sex (including pregnancy), disability, age, veteran status, sexual orientation, gender identity or expression, marital status or genetic information.

SCOPE OF WORK

Working in close collaboration with other mathematics instructors, the person in this position will implement and continuously refine/revise a constructivist-oriented curriculum that supports the Northwest Indian College requirements and programs providing foundation problem-solving skills for all tribal college students. Math faculty are responsible for teaching pre-college or college-level Math courses during the school year. Faculty shall acknowledge the cultural perspective of students, and use a variety of methods to convey necessary knowledge and skills, and assessment of learning through our assessment process.

DUTIES & RESPONSIBILITIES

1. Develop course syllabi and curricula.
2. Teach courses in pre-college and/or college level Math.
3. Submit necessary reports such as enrollment, progress and grading information in a timely manner.
4. Order textbooks and supplies in advance of courses taught following established college timelines.
5. Create an environment, a presentation style and a pace in which learning is enhanced.
6. Maintain at least ½ hour of office availability each week for each credit of lecture class taught.
7. Present an indigenous cultural focus.
8. Submit information to their supervisor regarding scheduling proposals, budget needs and travel requests in a timely manner following established timelines

SUPERVISORY RESPONSIBILITIES

This job has no supervisory responsibilities.

QUALIFICATIONS REQUIRED to perform this position successfully:

Minimum Qualifications:

- Master's degree in Math or related discipline.
- Experience teaching at the postsecondary or secondary level (Teaching Assistant experience acceptable; instructor experience preferred).
- Must have excellent oral and written communication skills.
- Must have excellent interpersonal/people skills.
- Excellent organizational skills, handling multiple tasks and numerous student files.

Preferred Qualifications:

- Experience working in a tribal college setting.
- Experience working with and advising adult students.
- Experience working with adult distance learning programs is highly desired.
- Ability to work well on an independent basis with minimal supervision.
- Experience with first-generation college students.
- Demonstrates an understanding of the effects of oppression on education.
- Experience working with Indigenous people of the Pacific Northwest.

Language Skills:

- Ability to read and interpret documents such as safety rules, operating and maintenance instructions, and procedure manuals. Ability to write routine reports and correspondence. Ability to speak effectively before groups of customers or employees of organization.

Mathematical Skills:

- Ability to apply advanced mathematical concepts such as exponents, logarithms, quadratic equations, and permutations. Ability to apply mathematical operations to such tasks as frequency distribution, determination of test reliability and validity, analysis of variance, correlation techniques, sampling theory, and factor analysis.

Reasoning Ability:

- Ability to apply common sense understanding to carry out instructions furnished in written, oral, or diagram form. Ability to deal with problems involving several concrete variables in standardized situations.

Computer Skills:

- To perform this job successfully, an individual should have knowledge of Internet usage; Spreadsheet, PowerPoint, and Word Processing software

APPLICATION PROCESS

Interested individuals should submit the following application materials directly to the NWIC Human Resources Office only.

1. Cover letter addressing how you meet the position qualifications
2. NWIC Application
3. NWIC Equal Employment Opportunity (EEO) form
4. Current and complete professional resume
5. Copies of college transcripts (*can submit unofficial copies at time of application*)
6. Three letters of recommendation from persons, who are not members of your immediate family, who have firsthand knowledge of your qualifications for the position
7. If applicable to the position, provide copies of certificates/licenses/credentials
