It is the policy of Northwest Indian College to use a system of letter grades to evaluate student performance. The grades are A, B, C, D and F, A being the highest and F, denoting the student has not met the course requirements at the minimum level. Grading definitions, grade point averages, and satisfactory/unsatisfactory grading to be used at the College are contained below.

317.2 PURPOSE

The purpose of establishing a policy is to provide clear information to students and faculty regarding their rights and responsibilities.

317.3 SCOPE

This policy will affect all students enrolled at Northwest Indian College as well as the faculty grading procedure. The policy establishes the responsibilities and regulations regarding any grading that occurs.

This policy will also affect the current Incomplete Grading Policy and Procedure.

An Incomplete Agreement Form must accompany an "I" grade or the grade will be assigned as an "**."

P/NP Pass/No Pass

Indicates a grade issued for a Continuing Education Unit (CEU) course.

S/U Satisfactory/Unsatisfactory

Only certain courses are designated S/U grading as determined appropriate by the Curriculum Committee. This grade does not carry grade point value therefore is not computed into the student's GPA.

W Official Withdrawal

Official withdrawals occurring after the third week of fall, winter and spring quarters and the second week of summer quarter are posted on the student's permanent record.

AW Administrative Withdrawal

An Administrative Withdrawal is granted only on a one-time basis in the event a student is unable to complete a quarter or a course due to a unique emergency or a major life difficulty. Examples include severe illness, accident, death in the family, or call to active military service. An Administrative Withdrawal Petition and supporting documentation must be submitted to the Registrar by the student. *** No Grade Recorded / Invalid Grade/ Late Finishing Class.**

Grades are recorded on the student's permanent record at the end of each quarter. The course requirements and the levels of accomplishment will be clearly defined in the course syllabus.

Grade Point Average

The grade point average for a student is calculated on a quarterly and cumulative basis. The quarterly GPA is computed by dividing the total number of quarterly grade points by the total number of quarterly A through F credits earned. The cumulative GPA is calculated by dividing the total number of all grade points by the total number of all A through F credits earned (GPA credits).

Grades I, N, P/NP, S/U, W, AW, Z, V and Y do not carry grade point values and are not computed into the student's grade point average.

Grades IA through IF carry the same grade point values as the corresponding letter grades A-F.

I, N, NP, U, W, AW and F grades are indications of non-completions or unsatisfactory progress and may affect financial aid eligibility.

When a course is repeated, the newest grade is used in the cumulative GPA calculation, regardless of the previous grade earned.

Satisfactory/Unsatisfactory Grading

The College Curriculum Committee may determine that traditional letter grading is inappropriate for a particular credit course. If so, the course will be designated S/U grading and will be so described in the NWIC College Catalog. This grading mode is not appropriate in courses applied to the general education requirements or to courses in the student's major area of concentration. Students are also cautioned that overuse of the S/U system may cause concern by employers and other four-year colleges.

317.5 RESPONSIBILITY

The Registrar has the responsibility to ensure this policy is followed. However, faculty members are also responsible in understanding and adhering to the guidelines of this policy.
