Winter 2021

The American Rescue Plan (ARP) Act makes emergency financial aid grants available to eligible students experiencing exceptional need. If approved for funding, students can apply grant monies towards their NWIC cost of attendance and/or towards other emergency costs that have arisen as a result of the coronavirus.

Students enrolled in Winter quarter 2021 may apply for the awards by contacting Student Services or the Financial Aid Office.

Funding is not guaranteed to applicants, and we recommend that students seek additional assistance from other sources while at NWIC.

- Students must be in need of emergency assistance towards their NWIC cost of attendance, and/or with emergency costs, due to experiencing exceptional circumstances that have arisen as a result of the coronavirus.
